## CUSTOMER SIGN-OFF

I confirm that the above works have been carried out to my satisfaction and accept responsibility for the works including defects that have been brought to my attention as or on behalf of the nominated Responsible Person and/or Client.

According to BS5306:3:2009 Para 5 Inspection by the user, it is recommended that the user carry out regular visual inspections of all extinguishers. The frequency of inspections by the user should be not less than monthly and when circumstances require, inspections should be carried out more frequently.
